Dear Lyme Ontario Members,

Lyme Ontario would like to thank you for your continued support. Your support over the past year has helped Lyme Ontario continue to raise awareness, fund research and most importantly, to provide support for those in need. We will continue with our monthly newsletters that are e-mailed to our members. For those who use social media, please don't forget to follow us on Facebook, Twitter, and Instagram! We have been busy this year attending awareness shows to help educate those who are affected by Lyme and those looking to prevent the spread of this debilitating disease.

We are working on our 3rd annual Walk For Hope being held on Saturday May 26, 2018 at Beachway Park in Burlington and the Light ItUp Green for Lyme Awareness campaign coming to Ontario's attractions in May. More details will follow as we get closer to these events.
